

FISCAL NOTE

SB 2673 - HB 3033

February 15, 2002

SUMMARY OF BILL: Specifies that a municipality that does not maintain jail facilities and that transfers custody of its arrestees to the sheriff of the county is not required to enter into an agreement with the other law enforcement agency for the use of their fingerprinting equipment and that the municipality is not required to pay a fee to the sheriff for the taking or transmitting of fingerprints by the sheriff.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - To the extent a municipality is currently paying a fee to the sheriff to fingerprint arrestees outside of the agreements provided for in T.C.A. 39-17-420, there will be a shift in the costs of fingerprinting from the municipality to the county. This shift is estimated to be not significant as it is assumed most local governments have entered into agreements or understandings regarding this matter.
